Accu-Time Systems Hires Michael Glynn as Corporate Marketing Manager

Accu-Time Systems, a leading manufacturer of time and attendance and security access products, announced today the hiring of Michael Glynn as Corporate Marketing Manager. Michael, who has an engineering degree from Worcester Polytechnic Institute and MBA training from Regis University, will oversee sales and marketing for the company.

"We're looking forward to Michael's leadership in sales and marketing," said Peter DiMaria, CEO of ATS. "We have an excellent product line. We have excellent customer support. Through Michael's efforts we hope to make our service to our customers even better. Mike has extensive marketing and product management experience with companies like Texas Instruments and Rogers Corporation. His engineering background will give him a valuable perspective on our products and the requirements of our customers."

Accu-Time Systems, based in Ellington, CT, provides a full range of security access and time and attendance terminals using the latest badge and biometric identification technology.
